

## Zak's Speech

ATFS helps me with home work. I like it because we get to go outside. It helps me in math. It also helps me in reading. It helps me in science. Also it helps tell me more my time. I do extra work which helps me get good grades nice! I like play games after I finish my home work and work plan. I like doing extra work. I was here for two years. I like to do math the most. I was student of the month once. I also practice math in ATFS that helps me in math at School.
